Edgefield Male Academy

THE TRUSTEES of this Institution are glad to A announce to the people of Edgefield and the surrounding Districts, that they have made arrangements to afford at the Edgefield Male Academy, during the approaching year, educational facilities

of a very high order.

Mr. JAMES L. LESLY, who is to be Princi pal of the Academy, is too well known as an acany commendation in this part of South Carolina. Mr. F. W. DOWTEN, a graduate of Erskine College, has been engaged as Assistant Teacher. Mr. D. comes recommended by the Principal of the School as being entirely qualified for the duties of his department. His proficiency indeed is such as would enable him to take charge of the Classical as well as English branches in case of necessity. It is also probable that an instructor in French

may be procured. The Trustees earnestly ask the attention of pa rents and guardians to this notice. They hesitate not to say that their School as pre

aratory to an entrance into any of the Colleges of the Union, will be found every way equal to the best in the State. The School will open early in February. The precise time will be made known at an early day.

Terms will be the same as during the last year. R. T. MIMS. A. SIMKINS, G. A. ADDISON, BENJ. WALDO, W. C. MORAGNE.
